Paper Napkins

Alexander Girard, 1953 - 1961
Vitra

The designers Alexander Girard and Charles and Ray Eames were leading figures in American design during the post-war era. While textile design was the primary focus of Girard's oeuvre, he was also admired for his work in the areas of furniture design, graphics, exhibitions and interior architecture.

In his work as an interior designer, Girard created a number of concepts for restaurants, extending his attention to such details as menu cards, matchboxes, tableware and napkins. The Paper Napkins come in assorted motifs created by Girard for various purposes and selected by Vitra in cooperation with the Girard family.
