## HAL Wood

Jasper Morrison, 2010  
Vitra

'Special is generally less useful than normal': this statement sums up Jasper Morrison's guiding principle for creating designs that are not extraordinary but rather 'super normal' and – just like HAL – that show deference to the dictates of daily life. With HAL, he has reinterpreted the multifunctional shell chair and created a versatile family of chairs with a clean contemporary look. The shape of the seat shell provides great freedom of movement in a variety of sitting positions – even sideways or astride the chair.

Over ten different chair bases can be combined with a seat shell in polypropylene or – for the HAL Ply version – in plywood. In the versions with a plastic shell and powder-coated base, HAL is also suited for outdoor use.

Code: 44020100  
Price Range: R 5 035.00 to R 6 571.00

Dimensions:  
790 x 470 x 490 mm
